

## Statement of Support for a Northeast Asia Nuclear Weapon Free Zone

We, the undersigned, express our support for the efforts to establish a Nuclear Weapon-Free Zone in Northeast Asia (NEA-NWFZ). We believe it is an urgent and timely initiative both for strengthening the global tide toward a Nuclear Weapon Free World and for achieving regional stability and peace in Northeast Asia.

Setting the goal of achieving a NEA-NWFZ will create a new positive dimension in the on-going Six Party Talks among the Republic of Korea (ROK), Democratic Peoples Republic of Korea (DPRK), Japan, China, Russia and the United States, by incorporating its goal of “verifiable denuclearization of the Korean Peninsula” (Six-nation Statement, 19 September 2005) within the broader regional vision.

Achieving a world free of nuclear weapons is an obligation not only of nuclear armed nations but of all nations, especially those whose security policy relies on a so-called nuclear umbrella. In this regards, all nations have the responsibility to find a path toward a security polity without nuclear weapons. A NEA-NWFZ will provide such a path for relevant nations in the region, including Japan and the Republic of Korea (ROK).

A realistic scheme for a NEA-NWFZ would be a 3+3 arrangement, in which the ROK, the DPRK and Japan would form the central parties of the zone and the neighboring nuclear weapon states (China, Russia and the US) would support it through the provision of security assurances, as this would build upon the 1992 Inter-Korean Joint Declaration on the Denuclearization of Korean Peninsula and Japan's Three Non-Nuclear Principles.

We call upon political leaders, both national and local, citizen groups, and individuals throughout the world, to express their support for a NEA NWFZ and to work together to realize it.
